Resolution For 2015... Losing Weight?

Was one of your New Year's resolutions "to lose weight?" You are not alone..it is the number ONE New Year's Resolution. Although we wish there was such a thing as a credible weight loss supplement, there isn't.

The best way to lose weight is to eat less fattening food! So, although Scent-Sations does not claim to have the latest and greatest slimming supplement, we do want to help all of you out there who are looking for all the help you can get!

Our "Hungry No More" scented candle utilizes the "Art of Scent" to give you some extra ammunition in your Battle of the Bulge! When you burn our Hungry No More candle you are putting two scents in the air that have been shown to help you in your weight loss quest!

Peppermint Scent

The smell of peppermint is pretty much synonymous with the holidays—and here's why that's a good thing for your waistline: Regular whiffs of peppermint may help decrease hunger and slash calorie intake, a study shows.

Vanilla Scent

The scent of vanilla specifically reduces your cravings for chocolate, "Reader's Digest" reports, while ABC News adds that the vanilla smell can also reduce your cravings for other sweets. Without the cravings, you are less likely to grab for the nearest chocolate bar or other high-calorie, sugary dessert or snack. Vanilla scents come in candles, incense, aromatic sprays and mixed with essential oils. Infusing the scent throughout your home or kitchen is a way to keep cravings at bay.

Thanks to Scent-Sations...

The following stories are from distributors saying what their Scent-Sations business has allowed them to do that otherwise would not have happened for them:

I am so EXCITED to be planning our family's very first trip to Disney together this year!!! Scent-Sations has made so many things financially possible for us, that otherwise, we may not be able to do. So excited and so thankful!!! “

Jacquelyn Snell

Earning a free trip to the Bahamas by far! It was the first tropical vacation hubby and I had ever taken, and it was fabulous! I can't wait to go back - and I'm taking the kids to Atlantis.

Tamara Keller

Buying both my kids cars and helping them through college!!!

Cynthia Suchowacki

My Scent-Sations business has allowed me is to be able to be home with my children for the past 11 years. And... when I lost my hubby a year ago, I would have had to go out into the work force if it wasn't for my Scent-Sations business... it was my life saver in more ways than one. It gave me something to focus on to help me through my grief... I love my "lil candle business" and can't imagine myself anywhere else... it's all I have known for 11 years... I love what I do!!

Kristy Butts

We paid off two vehicles....but most importantly, I blossomed as a business owner and learned who I really am and what I'm capable of. Its been more of a personal journey rather than a monetary one.

Jen Horn

This opportunity has made me GROW so much. Before I started with Scent Sations, I was quiet, shy and withdrawn. (I know-hard to believe for those of you who have met me at Flings). This business has made me come out of my shell and for that I am forever grateful. I also know that financial freedom is there for me when I am ready to take the next steps.

Kathy Lerchenmueller

My greatest accomplishment, thanks to Scent-Sations was helping my family out financially all while staying HOME with our kids. It was very important for me to be home raising our kids instead of working full time and sending them away. I appreciate having this time with them, thanks to my Scent-Sations business. I would also have to say that earning a free trip to the Bahamas was another accomplishment...

my husband and I have always wanted to go on a tropical getaway with "Just us" and the time we spent there was life changing! We can't wait to go back and take the kids - they enjoy the beach just as much as we did!

Cheryl Hill

I have hit many 'mini' milestones with my Scent-Sations business over the years.. My greatest accomplishment, thus far, was to buy a Cadillac SRX, drive from Maine to Southern CA, rent a Condo and watch our first grandson till he turned one!

Paula Bishop

My greatest accomplishment because of my Scent-Sations business is being able to work from home with my sweetheart for the past decade. Being able to work together, play together, and travel together is priceless.

Seeds Sown In November Create Successful December!

I took "medical hiatus" to care for my husband . Worked hard in November knowing December would be impacted. As a result, have sponsored five team members, two while at the hospital.

2014 Was Spectacular!

Wow! What a spectacular season it has been! I am thrilled to have introduced many to our Mia Bella candles through the Show on the Go. I have closed many successful shows this season and booked many others, all while working my business via other methods (Lifestyling)!

I closed my last 'Holiday Event' for the 2014 season, with names on my calendar to follow up with in January for repeat orders, Shows on the Go and 'possibility thinkers'! I am excited for what 2015 has in store for all of us..

CandleLight Party Yields \$212 In Sales!

I wanted to share the results of my Lunch by Candlelight party I did. I have been working on overcoming some anxiety issues so the party I did was for a small law office and with familiar faces. So it went very well and between 2 orders I sold \$212!

Sandra Blake

\$750 IN Sales After Only 3 Weeks!

“In my first three weeks as a Scent-Sations distributor I had over \$750 in Sales! Wow!”

Stephanie Partridge

Over \$440 In Sales!

“I just completed a craft fair and had \$442 in sales plus I also got two Show on the Go's!”

Netria Haywood

Over \$350 In Sales!

“I closed a \$350 Show on the Go yesterday, and the host brought me 27 Candle Drawing Slips to follow up with! Super cool!”

Tracey Gilmore

\$200 Show on the Go!

I closed out a show today that was \$100. (It was a short show, because she wanted to get the stuff before Christmas)

I also received an order yesterday for \$100, and this customer knows my hostess, so I combined that with the SOTG order to push the hostess over \$200, which gave her an extra 1/2 price item.

Great Customer Testimonials!

I fell in love with your Dermal Renu products about 6 months ago. I am 30 years old and started noticing that my skin was dryer and there were small but visible lines around my eyes.

After just 2 months my skin “lost” a decade. All of my friends have commented on it and two of them recently purchased Dermal Renu online. We love this product line and it works amazing!

Donna Masterston

Wow is all I have to say. I started using Dermal Renu right before Thanksgiving and during the holidays all I heard from my friends and family is “What are you doing to your face?” I am speechless. I have never experienced any other product line that does this so fast and so effectively!

Gina Martin

My mom started using Dermal Renu a few years ago then stopped for no reason other than she just forgot to keep ordering it. I could really tell the difference in her skin so this year I bought her and myself each a sixty day supply of Dermal Renu. Within one week both of our complexions changed so much that everyone who saw us wanted to know if we went to some expensive Hollywood Spa for Christmas!!!

Regina Swartz

I started using your Foot and Hand Cream several years ago and it was by far the best I have ever used. I lost touch with the sales person and could not find it anywhere until recently through an online site. I purchased a tube and was surprised that it was now scented. My feet get very dry and cracked in the winter and nothing helps except your product. I can't believe how smooth my feet are after just a few weeks. I put it on after showering in the morning and also right before going to bed. The product is like a miracle!

John Major

I bought one of your new hand and foot creams. I love the new scent and Im very glad that the product works just as good as the original non scented one. I have been using this for several years. I work outside a lot and my hands get so chapped they dry out and even crack. Ever since using your cream I have had zero problems. This stuff is a life saver in a tube.
